THE CHALLENGE
U.S. DEPARTMENT OF EDUCATION
WASHINGTON, D.C. 20202

(202) 732-4161

UNITED STATES DEPARTMENT OF EDUCATION
OFFICE OF THE DEPUTY UNDER SECRETARY
FOR INTERGOVERNMENTAL AND INTERAGENCY AFFAIRS

Winter 1988

This issue of The Challenge Network Membership Directory includes all memberships processed through January 15, 1988, and a list of national sources of assistance for schools. Membership listings are arranged alphabetically by state, then by city, and then by the name of the school or district within each city (STATE, CITY, SCHOOL OR DISTRICT). The following information is given for each member:

Name of school or district
Street address
City, State Zip Code
Name of principal or superintendent
Name of contact person knowledgeable about
the school or district prevention program
Position title of contact person
Phone number of contact person

If an error has been made in your listing, please notify The Challenge, U.S. Department of Education, Washington, D.C. 20202; telephone: (202) 732-4161.

Membership listings will help you to identify others who are active in substance abuse education and prevention and who can share ideas and information that may assist you in beginning or improving your own program. I encourage you to telephone or write the contact person at the schools and districts you identify as networking possibilities.

Your continued efforts are essential to the success of the national campaign for drug-free schools and communities. Working with other schools through The Challenge Network and with the support of both national and local resources, you can make significant progress toward substance abuse prevention and education in your school and community.

Sincerely,

Peter R. Greer
Deputy Under Secretary
